b) The Parties will encourage co-operation in the field of education of disabled children.
c) The Parties will encourage co-operation in the field of art education.
d) The Parties will exchange information and documentation on the structure, content and organisation of education. The exchange of this material will be carried out by the Ministry of Education and the National Board of Education (Opetushallitus) in Finland and by the Ministry of Education of the Slovak Republic.

Article 2

The Parties shall reserve a total quota of 14 days for the exchanges in the field of education. The terms of the co-operation will be specified through direct consultations between the institutions concerned.

II. HIGHER EDUCATION AND RESEARCH

Article 3

The Parties will promote direct co-operation between the universities and other relevant educational institutions in their respective countries, as well as between institutions which deal with research and technological development. They also agreed to encourage joint research projects, in accordance, where appropriate, with agreements concluded directly between the institutions concerned.

Article 4

The Parties will promote co-operation of the Finnish and Slovak institutions of higher education in the education, training and research programmes of the European Union, in particular the SOCRATES, LEONARDO DA VINCI, TEMPUS and the 5th RTD Framework Programme.
Article 5

The Parties noted with satisfaction that the Finnish language is taught at the Comenius University in Bratislava, and the Slovak language at the University of Jyväskylä.

The Parties will regularly supply the respective departments of Finnish and Slovak studies with appropriate literature to remain in their possession.

Article 6

The Finnish Party provides the Slovak Party with information about the polytechnics system, a non-university sector within higher education (AMK, ammattikorkeakoulu) in Finland.

Article 7

The Parties exchange information of their postgraduate study systems.

Article 8

The Parties exchange information about the developments of information society policies in their countries. The Parties noted that this area offers possibilities for cooperation.

Article 9

The Parties will promote the exchange of scientific literature. They noted with satisfaction that the Finnish Centre for the Exchange of Scientific Literature (Tieteellisen kirjallisuuden vaihtokeskus) maintains contacts with over 30 institutions in the Slovak Republic.

III. SCHOLARSHIPS

Article 10

A brief description of the scholarships, which the Parties will offer to each other, is given in Appendix 1.

The Parties will annually inform each other of the general and financial provisions of the scholarship exchange through diplomatic or other suitable channels.

In Finland, the Centre for International Mobility CIMO (Kansainvälisen henkilö vaihdon keskus CIMO) is in charge of the administration of the scholarships and exchanges.

For the Slovak Party, the administration of scholarships and exchanges specified in Appendix 1, will be carried out by the Ministry of Education and by the Ministry of Culture.
IV. YOUTH AND SPORTS

Article 11

The Parties agreed to promote better knowledge concerning youth through the exchange of information and other documentation on each country’s youth policies. They also expressed their interest in encouraging co-operation between institutions and organisations.

Article 12

The Parties will encourage the development of the relations and exchanges between the organisations and other institutions in the field of physical education and sports. Such activities as well as financial conditions will be agreed directly between the institutions concerned.

V. CULTURE

Article 13

The Parties will encourage direct contacts between their institutions in the fields of arts and culture. To promote this, the Parties will exchange information on various aspects of cultural policies, management and new tendencies in cultural policies.

Article 14

FOR THE SLOVAK PARTY

[Signature]
GENERAL AND FINANCIAL PROVISIONS

The following general provisions were agreed:

General terms

(a) The activities and exchanges envisaged in this Programme shall be carried out within the limits of the financial means at the disposal of the two Parties;
(b) The activities and exchanges envisaged in this Programme shall not exclude other initiatives or visits which might be proposed and agreed in advance by both Parties;
(c) The organisation of music, dance and theatre performances should be based in principle on a direct agreement covering financial and other terms between the organisations and artists involved in such events. State subsidies should be considered as supplementary.

I. SCHOLARSHIPS

1. FINNISH SCHOLARSHIPS

The Centre for International Mobility CIMO (Kansainvälisten henkilövaihdon keskus) operates on the basis of bilateral cultural agreements, Finnish government scholarship programmes aimed at promoting international university level cooperation in education and research. CIMO will annually inform the Slovak authorities about the quota, financial terms, application period etc.

The quota to be reserved for Slovak post graduate students and researchers as well as students in the Finnish language amounts to 12 months annually. The study and research scholarships may vary from 3 to 9 months in length. In addition, a few short visits (not exceeding 10 days each) are reserved to Finnish cultural institutions and institutions of higher education, minimum 30 days for each area. However, this quota is considered annually and it may, if needed, be exceeded.

Candidates for these scholarships are nominated by the Ministry of Culture of the Slovak Republic and the Ministry of Education and Science of the Slovak Republic and the final approval of the recipients is made by CIMO.

Prior to application, the candidates should have established a contact with the Finnish host, since no scholarship can be granted without invitation / admission by the host institute. When granting the scholarships, special emphasis is laid on active participation and interaction with research and / or teaching at the educational institution of the host country.
Scholarships

The scholarship period is usually 3 - 9 months and the grant is intended to cover the living expenses in Finland for a single person. In 1999 the monthly scholarship is 4 100 FIM. Upon arrival of the scholarship holder a lump sum of 500 FIM or 1 000 FIM is paid for study /research period of one term or whole academic year, respectively.

Short visits

A visitor scholarship up to 10 days consists of free accommodation in a guest room or hotel and a daily allowance, the amount of which is determined annually (154 FIM in 1999).

Travel

Expenses due to international travel to or from Finland are not covered by CIMO. The scholarship recipient will pay his / her local transportation (at place of study /research). CIMO will cover travel costs in Finland related to the visit / study grants approved by CIMO.

CIMO may also grant travel allowances for Finns who receive a scholarship from the Slovak authorities on the basis of the bilateral exchange.

Insurance

Students paying the student union fee of a Finnish University are entitled to benefit the student health services. Other recipients of scholarships are recommended to make arrangements for insurance coverage for their stay in Finland.

Summer language courses

The Finnish Party will annually offer two (2) scholarships in the length of 3 - 4 weeks each to Slovak students of Finnish language, to participate in the international summer courses on Finnish language and culture in Finland. The statement of the teacher of Finnish language should be taken into account when candidates are nominated. The summer courses are organised in Finland by the Council for Finnish Studies at Universities abroad (UKAN), which as of January 1, 1998, is part of the Centre for International Mobility CIMO.

2. SLOVAK SCHOLARSHIPS

The Ministry of Education of the Slovak Republic:

a) The Slovak Party shall provide 12 scholarship months a year for the Finnish graduate students, postgraduate students and university teachers, whereby the
students studying the Slovak language shall have the priority. The length of the scholarship stays shall be from 3 to 9 months.

b) The Slovak Party shall provide a couple of short term stays of a total length of 30 days a year, whereby none of the stays - the exchanges of specialists from Finland in the sector of education and science shall exceed 10 days.

Scholarships

The Slovak Party shall provide following for the stays the length of which exceeds 30 days (long-term stays):

a) a monthly scholarship in the amount of:
   3 500 SKK for the students
   4 000 SKK for postgraduate students, university teachers and the scientists and specialists in the field of education

The accommodation and board shall be provided by the host institution in a students' dormitory on the costs of the participant under the same conditions which apply to domestic students.

b) studies free of charge

Short visits

The Slovak Party shall provide following for the stays of experts, the length of which does not exceed 30 days (short-term stays):

costs covering the board and pocket money in the amount of 818 SKK per each day and a suitable and reasonable accommodation free of charge in a students’ dormitory or a housing similar to a hotel.

Travel

The Slovak Party shall cover the costs of the travel to the first site of study in Finland and from the last site of the stay back to the Slovak Republic to those citizens of the Slovak Republic who receive the scholarship from the Finnish Party on the basis of the bilateral exchange.

The Slovak Party shall cover the inland costs in the Slovak Republic to the persons from Finland in the framework of the study programme, whereby the programme shall be agreed by the host Party.

Insurance

The Finnish students who receive the scholarship must cover the costs for their own health insurance during their whole stay in the Slovak Republic.
**Summer language courses**

The Slovak Party shall provide three (3) scholarships in the length of three (3) weeks for Finnish students of the Slovak language to participate in the summer course of the Slovak language and culture organised by the Studia Academica Slovaca (SAS).

The Finnish candidates shall be proposed by CIMO.

In the process of nomination of the candidates the references of relevant language teachers shall be taken into account.

The Slovak Party shall provide the Finnish participants and cover the costs of their full board, suitable and reasonable accommodation, pocket money and excursions in the framework of the programme of the Summer seminar as well as it shall cover the commission for the course.

**Ministry of Culture of the Slovak Republic**

The Slovak Party will exchange experts and representatives in the fields of art and culture. The aim of these visits is to exchange knowledge and expand co-operation in the field of culture. This annual exchange will cover totally thirty (30) days and it will involve three (3) – six (6) persons for a duration of five (5) to ten (10) days each. However, this quota is considered annually and it may, when needed, be exceeded.

For short visits to Slovakia, the host Party will provide accommodation, board and pocket money (or daily allowance) in accordance with local standards, transport in Slovakia according to the programme of stay, as well as interpreting and guide services.

**GENERAL PROVISIONS**

The sending Party will submit to the host Party list of persons suggested for visits and scholarships by the 1\textsuperscript{st} March of each year, enclosing two copies of application form filled out by the candidate and one photo. In their application form the candidates will state their personal data, knowledge of language of the host country, of English or German language and estimated date of arrival and, if possible, full details of the study programme including the names of the host institutions and persons.

Candidates for long term scholarships should not be older than 35 years of age.

The Parties will receive the persons suggested according to the provisions of this programme during the academic year, which lasts in the Slovak Republic from September 1 to June 30 and in Finland from September 9 to May 10. In substantiated cases, if required by character of the study, participation in summer courses etc., the Parties will deviate from performing of this regulation.
The host Party will confirm the acceptance of the candidates within 3 months after the receipt of the application forms by providing the sending Party with a list including the names of those accepted and unaccepted, length of their stay and excepted date of arrival. The sending Party will confirm the exact date of arrival not later than 2 weeks before the departure of the candidates.

II. EXCHANGE OF EXHIBITIONS

Agreements will be discussed and agreed upon on a case-by-case basis and in general the following provisions will apply:

Responsibilities of the sending Party:

1. Detailed proposals for exhibitions, including all technical data should be submitted preferably not later than twelve (12) months prior to the planned opening of the exhibition.
2. International transportation to its first destination in the receiving country and the international transport from its last location to the country of origin or to another country.
